Waiver of Non-Recurring Installation Charges
for Addition of Custom Calling Features**

Dear Mr. Mills:

As per our tariff, PSC 2, Section D, Original Sheet 8, Paragraph D.6.9 (Attached) are offering a promotion to all existing Residential and Business customers and those who become customers during the time period September 16, 1994, through and including December 16, 1994. The promotion consists of a waiver of non-recurring charges for their adding Customer Calling Features.

We are doing this to stimulate those customers who may not have added the Custom Calling Features due to the initial installation charge. Lewisport Telephone Company believes that we would recoup the installation waiver by the continued usage of the Custom Calling Service.

Special charges in the form of installation charges, monthly charges, or both, are applied in addition to the usual service connection charges and monthly rates, when, because of the occasional nature of the service or an unusual investment or expense, the revenue does not reasonably compensate to Company, as for example:
 - a. The facilities are provided in remote or undeveloped areas outside the base rate area.
 - b. The facilities are provided on a temporary basis.
 - c. Conditions require the provision of special equipment or unusual methods of plant construction, installation or maintenance.
 - d. The customer's location requires the use of costly right-of-way.
2. Title to all construction, provided wholly or partly at a customer's expense, is vested in the Company.
3. The word "cost", when used in this Section, means the in-plant cost consisting of labor, engineering, materials, supervision, and other overhead expenses associated with the construction. Estimated cost may be used; however, where the customer requests, actual cost will be used where practical.
